WHERE EDUCATION MATTERS

SECURE YOUR
FUTURE IN
OUR LEADING
INTERNATIONAL
STUDENT
PROGRAM

International Student Program

Keysborough College is in the heart of one of the most culturally diverse areas of Melbourne. Located close to Monash University, our college has its own bus service and there is easy access to the city by train.

Since the year 2000, over 1000 international students from China, Cambodia, India, Japan, Laos, Sri Lanka, Thailand and Vietnam have attended Keysborough College and successfully graduated to university.

As an academic school, we offer international students a safe, secure and caring learning environment with a strong focus on student achievement.

**KEYSBOROUGH
COLLEGE**

RESPECT • EXCELLENCE • DIVERSITY

Gain university entry from a wide range of academic subjects

Gain university entry from a wide range of academic subjects

- International students at Keysborough College who successfully complete Year 12 gain university entry qualifications in the Victorian Certificate of Education (VCE).
- Many international students focus on Science, Mathematics, Commerce, Information Technologies and a wide range of additional subjects which allow them to pursue other areas of interest.
- Many successful students go on to study at Monash University, Melbourne University, or at a TAFE College.

On site English Language Centre

- Students benefit from small group learning with caring EAL teachers.
- Students may begin studies immediately in our school environment.
- We provide a smooth transition into college life when starting mainstream courses.

Regular contact to help parents stay informed

- Parents of our international students are kept well informed about the progress of their sons and daughters through a regular college newsletter which is sent to all parents. All parents receive an appropriately translated written report on student progress each term.
- We welcome and encourage regular communication between parents and the school throughout the year. Our International Student Coordinators make regular direct contact with parents in order to answer any questions or provide important information as required.
- School representatives run parent-teacher interviews overseas yearly, meeting with parents face to face.

Live in a secure Homestay family

- Our international students stay with carefully chosen families in the local area.
- Homestay families provide stability and security for our international students and help to make their stay a culturally enriching and enjoyable experience within an understanding and supportive family environment.

Benefit from additional classes and education aides

After school tuition is available to all international students at no extra cost

- Our school has many Multicultural Education Aides and a number of teachers who speak a second language.
- Multicultural Educational Aides are allocated time to work closely with international students individually and in small groups. They provide extra tuition in each student's studies.
- Extra help classes are created to address individual needs.
- International students have ready access in studying their native languages at all year levels.
- All international students receive individual course selection and careers counselling. They also obtain assistance in completing their required paperwork.

Your enquiries are welcome
